Attention: Mrs. Klieger

Dear Sir:

Mr. Paul H. Kusuda, now residing at 1900 West Jackson Blvd., Chicago, Illinois, and whose application for Federal Civil Service employment is attached, has been given indefinite leave from the Manzanar Relocation Center. The fact that he has been given this leave is evidence that he has been thoroughly investigated and has been found loyal to the United States. The War Relocation Authority approves his placement in any city in Illinois or Wisconsin, as these two states have been determined to be safe places for private and public employment for Americans of Japanese ancestry.

We will appreciate whatever assistance you can give in placing Mr. Kusuda.

Very truly yours,

Elmer L. Shirrell
Relocation Supervisor
